Dear families,

What a wonderful half term we have had. The children have already made so much progress and settled into our routines well. It is lovely to see their friendships blossoming too. Tapestry and Facebook are full of photos sharing everything we have done so please remember to have a look. Thank you to those parents who came in for the Parents Meetings with Key Workers, I hope you found the meeting helpful. Please remember to come and speak with us about anything you need support or advice with.

Story time

Our fortnightly story time sessions are starting again. Parents / grandparents / younger siblings are invited to join us for a 15 minute story time session. Morning session starts at 11:10am, afternoon session starts at 2:45pm.

- No jewellery should be worn in Nursery other than one pair of stud earrings.
- Please write your child's name in their coats, jumpers, hats and scarves so that we can return any lost property.

It is a known fact that children who have good attendance at nursery and school achieve well.

Our attendance percentage this month is **94%**. While this is good, we would like it to improve.

Well done and thank you for supporting our efforts.

Children with 100% attendance for the whole half term have been put into a draw to win a prize. There will be one morning session winner and one afternoon session winner. Congratulations to our winners.

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Learning and Curriculum

We have focused on healthy teeth and gums this week and all of the children have begun brushing their teeth in Nursery.

We have also spent time in the Secret Garden, exploring with natural materials and looking at how the world is changing as we move into the season of Autumn.
