Ideas for home...

- Comment on things you have in your house as you go about your day. '***I'm sitting on the sofa, I'm opening the door***'
- Talk about prepositions whilst you're at home, for example, ask your child - 'Can you sit ***on*** the chair? Can you put teddy ***under*** the table?'
- Encourage your child to name items in your house, e.g. asking to use the toilet.
- Talk about the people who live in your house and their names, e.g. ***mummy, daddy, grandma, brothers, sisters, auntie, uncle, etc.***
- Help with household chores and tasks such as cooking, making the bed, putting the washing in. Talk about what you are doing as your child helps, e.g. '***we're cooking tea, let's put the food into the oven. These clothes are dirty, they need to go into the washing machine to be cleaned.***'
- Count how many windows and doors your house has. What number is on your door? What other numbers can you find on a walk?

Our core books...

- Read stories to your child every day. This will help boost their language development. You can listen to these stories on YouTube if you don't have a copy at home.
