

Clothing

The vocabulary we're learning...

trousers

shirt

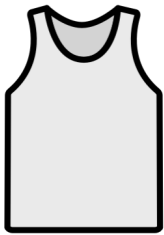

jumper

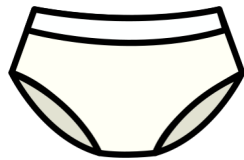

skirt

cardigan

vest

underwear

socks

shoes

hat

Ideas for home...

- Help sort out the laundry. Encourage your child to help you sort the washing into piles, naming clothing items as you go.
- Talk to your child about clothes as you put them on, e.g. **'I'm putting your head through your jumper'**.
- Practice putting on your own uniform for school – can you find all the items you'll need in the morning?
- Use dolls to practice putting clothes on and off. This is also good for the small muscles in children's hands.
- Practice putting on your own coat. At school, we encourage children to put their hoods on their heads first and then put their arms through the holes. Children can also practice doing up their own zips and buttons.

Our core books...

- Read stories to your child every day. This will help boost their language development. You can listen to these stories on YouTube if you don't have a copy at home.
