**Wednesday 17th December**—Christmas Party Day

**Friday 19th December**—INSET day, Nursery is closed.

Dear families,

A very warm welcome to our families who are back with us this year and also to our new children and families. I am looking forward to another successful year working in partnership with you.

We are also delighted to welcome Mrs Smith to our staff team. Mrs Smith brings a wide range of experience to our setting and lots of enthusiasm. She will be working with all children but predominantly, our youngest pupils in Grasshopper group.

Our children have all settled in well, even those who have a few tears at the gate and it has been lovely to see them happily playing in nursery.

Mrs Jackson

### Uniform

We have our very own Pre-loved Uniform rail available thanks to kind donations from families whose children have moved on to school. If you are need of a spare set of uniform, please ask at the office. The rail will be out on the playground at regular intervals each term for you to look through. We ask that families only take what they need so that there is enough for everyone.

- Morning session starts at 8:30am, afternoon session starts at 12:15pm. Please arrive on time.
- Please bring a coat to Nursery everyday in case it rains.
- No snacks / chocolate should be brought onto the playground at pick up. time.

It is a known fact that children who have good attendance at nursery and school achieve well.

Our target for attendance is 96%.

Children who have 100% attendance through each half term will be given a sticker to recognise this.

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

Parents will be invited in to discuss any concerns about attendance and punctuality.

Our attendance policy can be found on the website. Please ask at the office if you would like a paper copy.

### Learning and Curriculum

The last two weeks have been about settling in and learning our routines. Here are some of the activities the children have enjoyed.
