12:15—1:15pm

10:45am or 2:15pm

Wednesday 17th December—
Christmas Party Day

Friday 19th December—INSET day, Nursery is closed.

Dear families,

The weeks are passing by so quickly and the children have now settled nicely into the routines. They have lots of time for playing together and times when they come to group to do some focused learning. This week, we have begun daily tooth brushing. The children have their own toothbrush and they brush their teeth together at group time. Please make sure they still brush their teeth at home twice a day. If you need a toothbrush or toothpaste for your child, please let us know and we will provide one.

Attached to the newsletter is our knowledge organiser which explains what the children are learning about and the vocabulary we are learning to say and use. Please practise these words at home too so that your child can use these words in their talking and play.

Updates of what we are learning about can be found on your child's Tapestry account and on our Facebook page as well.

Mrs Jackson

Independence

We are encouraging the children to become more independent. You can help at home by giving them the chance to do things for themselves such as washing their hands or putting their coat on.

- Morning session starts at 8:30am, afternoon session starts at 12:15pm. Please arrive on time.
- Please bring a coat to Nursery everyday in case it rains.
- **No snacks / chocolate should be brought onto the playground at pick up. time.**

It is a known fact that children who have good attendance at nursery and school achieve well.

Our target for attendance is 96%.

Children who have 100% attendance through each half term will be given a sticker to recognise this.

Parents will be invited in to discuss any concerns about attendance and punctuality.

Our attendance policy can be found on the website. Please ask at the office if you would like a paper copy.

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Learning and Curriculum

As part of our learning on 'Who am I?' the children have begun learning about having healthy teeth. They did a great job of brushing the big teeth ready for brushing their own.

They have also worked on having strong fingers and hands doing dough disco.
